About

I collaborate with organizations and institutions to forge dynamic collaborations with the communities they serve. Together we pilot equitable, innovative, and sustainable projects to make lasting change.

The work takes many forms: from [courses](#), [places](#) & [shows](#); to [workshops](#), [stories](#), [pop-ups](#) & [traditions](#).

By Title

I'm an experienced strategist, designer, community engagement practitioner, and event producer.

Process

- + Invite Everyone to the Table
early, often and with an open mind
- + Find Room in the Margins
of space and schedule
- + This is Show Business
not "tell business," together we are producing engaging, hands-on experiences people choose to take part in
